BX Creek Trail Partially Re-Opened For Public Use

The RDNO has re-opened BX Creek Trail from Tillicum Road to the closest bridge washout downstream. Please note that the trail will remain closed off Star Road due to water levels and public safety hazards. The BX Creek Trail at the North-East end of the BX Ranch Dog Park will remain an unmaintained open space, users are encouraged to exercise caution.

Residents are reminded to keep a safe distance from streams and creeks until all water levels return to normal.

For further information, please call 250.550.3700, or email communityservices@rdno.ca.
