## GREATER VERNON WATER AGRICULTURAL CUSTOMERS: OLD KAMLOOPS ROAD IRRIGATION WATER MAIN BREAK

The Regional District of North Okanagan wishes to inform **Agricultural customers** of Greater Vernon Water located south of Blue Jay Subdivision to the Rise Subdivision that there will be a disruption of non-potable (irrigation) water until late today or early Thursday (July 5<sup>th</sup>) morning.

Crews are working to repair the non-potable water line break on Old Kamloops Road. Drivers can expect traffic interruptions and single-lane alternating traffic patterns. Please be patient and obey all signs and flaggers.

Staff will notify customers of any changes.

For further information, please contact 250-550-3700 or visit our website at [www.rdno.ca](http://www.rdno.ca).
