CUSTOMER NOTICE

REQUEST FOR OUTDOOR TAPS TO BE ACTIVATED & POSSIBLE WATER OUTAGE

7284 TO 7396 TRONSON RD

The City of Vernon is requesting that all homeowners have their outdoor taps live by **Monday, April 6, 2020** in preparation for scheduled maintenance being performed on the water main on Tronson Road.

Due to this maintenance, customers in the area listed above **MAY** be without water on

Wednesday April 8, 2020 from 8:00 am to approx. 12:00 pm

On this day, an operator will be visiting each property to briefly turn on your outside hose bibs to confirm your water service.

Please make necessary arrangements to have a short-term water supply stored before the interruption for use during the water outage. While every effort will be made to complete the project by 12:00 pm, it may be necessary to have the water off longer.

When your water service resumes you may experience turbidity in the water. If this occurs please run your cold water for up to 5 minutes to clear your lines.

We apologize for any inconvenience that this will cause and thank you for your cooperation.
