

REGIONAL DISTRICT OF NORTH OKANAGAN POOL PERMIT REQUIREMENTS

Building Permit No.: _____

Owner: _____

Civic Address: _____ PID: _____

1. Install an address or lot number sign at the street.
 2. Comply with Building Regulations Bylaw 2670, 2015.
 - i. A fence or an equivalent barrier of not less than 1.2 metres (48 inches) in height shall be provided to prevent unauthorized access to a swimming pool. Where the access to the swimming pool is from a dwelling located on the same property as the swimming pool, the access may be directly from the dwelling.
 - ii. Openings through the fence shall be equipped with a child resistant self-closing and self-latching gate.
 - iii. Openings used for occasional entrance may be equipped with a locking gate.
 - iv. All openings or gates in the fence or barrier shall be locked closed when not in use.
 - v. The fence or equivalent barrier referred to above shall be of chain link type material, solid material with a flat vertical surface, or vertically oriented material.
 - vi. All openings through such fence or barrier referred to above shall have a size so as to prevent the passage of a spherical object 10cm or greater in diameter.
 - vii. A swimming pool which is located above ground and has vertical sides of a least 1.2 metres may be protected from access by fencing the access ladder to limit access, with a child resistant self-closing and self-latching gate through the fence.
 - viii. A swimming pool fence or equivalent temporary barrier shall be in place, inspected and approved prior to placing the water in a pool.
 3. Pressure reducing valves and a backflow prevention device to be installed in accordance with the requirements of the Building Code.
-
