What Goes Where?

**Cherryville & Kingfisher
Service Areas**

Cherryville and Kingfisher Transfer Stations accept the following materials separated to minimize landfill impacts:

- Major Appliances
- Mattresses & Box Springs
- Scrap Metal
- Propane Tanks
- Wood
- Yard & Garden Waste

Please sort & separate these items before you come to a Transfer Station save on disposal fees and to help extend the life of our landfills.

Before you go to a Transfer Station, please consider some tips to reduce waste and optimize your travel:

- Keep food waste out of your garbage. Find more at: lovefoodhatewaste.ca & rdno.ca/compost.
- Recycle most Packaging & Paper Products through Recycle BC. For program information go to: recyclebc.ca/north-okanagan.
- Recycle batteries, lightbulbs, electronics, oil, paint, tires and much more at recycling depots. **See back of page for program information.**
- Donate reusable items in good condition to the Transfer Station Reuse Shed. For additional potential options call the Recycling Council of BC Hotline (1-800-667-4321) or search the BC Recyclepedia online search tool and downloadable app at rbc.ca.
