CERTIFIED BACKFLOW TESTERS Submitting Backflow Assembly Test Reports

As of January 1, 2023, a data entry fee will apply to all Backflow Assembly Test Reports submitted to the Regional District of North Okanagan **NOT** using the MTS Inc.'s FAST Tester mobile web application (www.fastbfp.ca). This fee **MUST** be paid in person at the RDNO office. Using FAST Tester is easier for the certified backflow assembly testers and more efficient and accurate for Greater Vernon Water.

The RDNO Certified Tester List, that is made available to the public, only includes those companies that submit test reports exclusively through FAST.

Submitting test reports via FAST Tester is free after MTS Inc.'s annual fee (currently \$25.00 for your 1st year, \$50.00 annually thereafter).

RDNO Backflow Assembly Test Report Fees*

Paper Form in Office	\$22.00/report
Via FAST Tester	Free

*per the current Greater Vernon Water Rates Imposition Bylaw

Start using FAST Tester **today!** – register at www.fastbfp.ca or call MTS Inc. at 250-503-0893.

Benefits of FAST Tester include:

- No more paper! – everything is submitted digitally.
- Pre-populated with backflow assembly and facility information – no need to enter every detail for annual tests already in FAST.
- Automatic Pass/Fail and buffer calculations.
- Easily produce copies of the test report for your customers.
- Receive email confirmation that your test report was accepted.
- Have access to all municipalities that accept FAST reports.

Need help with FAST Tester? Contact MTS Inc. at 250-503-0893 or support@fastbfp.ca.
