

MEMORANDUM

**File No: 5790.10.09.2025
Date: January 30, 2025**

FROM: Utilities Department

SUBJECT: January 30, 2025 - Duteau Reservoir Levels Update

As of January 30, 2025, Duteau Reservoir levels remain below average for this time of year and are in “Step 1”. GVW remains in Stage 1 restrictions and continues to monitor storage levels closely.
